

Thursday, 8 October – Bordeaux Science Agro

9:00-13:00 MC Meeting (Michel-Edouard Feret building, room MEF1, first floor):

Synthesis of the second year and discussion on the work plan of the next year

Discussion about project H2020 - the last news and the future; create a consortium.

12.00 Lunch at Ferme de Compostelle (<http://www.lafermeducompostelle.com>, only for MC members)

14.00 WG4 COST meeting (lecture hall "Sylvae", Espace Nicolas Brémontier building): Welcome to participants

14:30 Presentation WG4

Afternoon Session 1: Session Chair – Stefano di Marco

Management of GTDs in the vineyard - Cultural practices

14:45 Zanutto Alessandro (and Marco Simonit), Preparatori d'uva. Grapevine pruning respecting the sap flow and vine surgery: two agronomic techniques to reduce the damage caused by the trunk diseases

15:15 Francois Dal. Pruning, *regreffage* and *curettage* to reduce the risk or the effects of GTDs

15:30 Riccardo Castaldi: Possible relationship between vineyards mechanization and Esca disease

16:00 - 16:30 Discussion

16:30-16:50 Coffee break

Afternoon Session 2: Session Chair – David Gramaje

Management of GTDs in nurseries – Cultural practices

16:50 David Gramaje: EVALUATION OF GRAPEVINE PROPAGATION PROTOCOLS AGAINST TRUNK DISEASES THROUGH A EUROPEAN NURSERY SURVEY

17:05 Marc Birebent: INFLUENCE OF THE GRAFTS ON VINE DECLINE

17:20 Short presentation of new participants

17:40 Discussion

18:00 Closing

Social dinner - Ferme de Compostelle (<http://www.lafermeducompostelle.com>)

Friday, 9 October – Conference room: Château de Luchey Halde (transfer by bus from Bordeaux Sciences Agro to Château de Luchey Halde, <http://www.luchey-halde.com>)

Morning Session 2: Session chair – Stefano Di Marco & David Gramaje

9:00 – 11:30, separated round table with turn over

Table 1: Cultural practices in vineyards and the potential of compost: , recommendations to vinegrowers.

Round table chair: Pascal Lecomte, Enrico Battison & Stefano DI Marco

Table 2: Grapevine propagation protocols. Round table chair: David Gramaje & Josep Armengol

10:30 Coffee break

12:30 Lunch - **Château de Luchey Halde**

Round tables

13:30: Summarize of round tables & Discussion

15:30 **Closure of the meeting:** Florence Fontaine and Stefano Di Marco

Conclusion of the second year project

Presentation of the next working plan

16:00 End of the meeting
